

## \$75k in funding to get your agency accredited

**APPLICATION DEADLINE: July 22, 2021 at 7:59 PM ET=**

### Appy for funding the easier way

Applying for the COPS grant is a complex process, involving a 61-page solicitation document, hard-to-use software, and confusing terminology. **Many of the required steps take multiple weeks to complete, which means submitting the application by July 22, 2021 by 7:59 PM ET is extremely challenging.**

You may be wondering when you'll find time to apply with all your other responsibilities, and is it worth the time and frustration?

Fortunately PowerDMS, a policy and accreditation management platform, developed helpful resources to guide you through the COPS grant application process. These **free resources** help you in a few ways:

- Condenses COPS' 61-page document into a consumable step-by-step guide
- Simplifies pages of complex terminology and instructions
- Provides helpful downloads including a checklist and sample templates

In short, PowerDMS did the hard work so your agency can apply for \$75,000 in funding before July 22, 2021. **To submit your application in time, however, you need to start the process now.**

Visit the [PowerDMS website](#) to sign up for these free resources. PowerDMS is also working on creating templates for two key documents you'll need for the grant application: project narrative and budget narrative. To get access to those templates, [fill out the form](#) and PowerDMS will email them to you as soon as they are available.
